

The architectural floor plan depicts a complex building layout. A central corridor, labeled 'Compartment techniek', runs vertically through the middle. To the left of this corridor, there is a large area with a grid of rooms, some of which are labeled 'T1' through 'T11'. To the right, there is another large area with a grid of rooms, also labeled 'T1' through 'T11'. The plan includes various zones, such as 'Deur service zone' and 'Deur openbare zone', and is color-coded with red, blue, and green areas. Dimensions and other technical details are provided throughout the drawing.
